PETROGRAD. Dec. 12.—The attempt of the Austro-German forces south of Cracow to break the Russian line has resulted in their complete rout. Thousands of dead were left on the field, and the Russians remain masters of the

The Army Messenger, official organ of the war office, today makes this claim concerning the operations on the

The Austrians were heavily re-en-forced by German troops, it is stated, and directed an energetic attack upon the Russian lines. They were repulsed and the check was then turned into a disordered flight. Five batteries were captured, and an entire column of nored motor cars taken.

The efficiency of the Russians in bringing down German geroplanes is cited by the Army Messenger. Two reof the Russians in connoitering aeroplanes were broadown by Russian guns on Tuesday.

Kabansky Verdict Surprises Lawyers

Counsel for Herman Kabansky, twentyelx years old, found guilty of murder in the second degree on a charge of havthe second degree on a charge of having shot and killed his mother-in-law, long shot and killed his mother-in-law, less a Raboy, at her home, 1816 lie Utilities Commission in its appropriation for valuing the public utilities of the District. The commissioner is whether to make a motion for a new allowed \$60,000 instead of \$30,000 as originally recursited.

The verdict, which was returned at 8 o'clock last night, after the jury had aeliberated more than four hours, came as a surprise in view of the fact that Chief Justice Covington, presiding in Criminal Court, No. 1, virtually directed that only two verdicts were possible—guilty of morder in the first degree or not guilty by reason of insanity.

Late imprisonment is the maximum Late imprisonment is the maximum naity which Kabansky faces, while e minimum sentence is twenty

When the jury announced its ver- dents of the average municipality, When the jury announced its verdict, Mrs. Arnie Wolpe, a sister of the defandant, gave an agonizing shrick and fainted. An ambulance was summoned, and she was taken to the Emergency Hospital. She became hysterical in court on Wednesday, and after that was not permitted in the couriroom, although up to that time she had occupied a chair beside her brother.

Gents of the average municipality,

"The people here," he said, "pay about one-half of the taxes paid by residents of other communities.

"I am man from the Federal Government pay one-half of the School expenses. The people here should bear their just burdens of taxation."

Congressman Mann, minority leader, defended the Capital, saying:

osky was unmoved by the verdiet, but sat stolidly gazing away from the taelve men who decided his fate. Throughout the trial he did not manist any emotion except to jerk hair st any emotion except to jerk main small bits from his head. Assistant United States Attorney T. I. Wampier as sames B. What War Moves Mean By J. W. T. MASON.

NEW YORK, Dec. 12.-The Czar's ourney to Tiflis, the administrative center of the Caucasus, suggests that preparations are under way for the development of a serious Eussian campaign against the Turks. Petrograd has preserved a silence about military movements in the Cancasus in striking contrast to the constant publicity given the Poland campaign. The robable reason is that concentration of a new Russian army is now tion of a new Kussian army is now being made in the Caucasus. Un-der present circumstances, it would be undesirable that are news be allowed to become known that pright give information to the ther-mans concerning the weak-ning of the Stay forces in Poland. The Czar's arrival at Tiflis sug-gests the concentration is now be-ing completed, since his presence at the Turkish front in advance of

most of his troops would lose most of its effect. The probability is, therefore, that before long Russia therefore, that before long Russia will begin an invasion of Asia Minor and will attempt to cross the 700 long miles to Constantinonle before the war ends. The continued impotence of Turkey's own military movements since the Mohammedans took up the codgels in defense of Germany emphasizes the suggestion recently made in this column that clashes have oc-curred at Constantinople concerning the strategic interests of Ger-

nany and Turkey. Irresolution is apparent, and no ampaign indicating a frm grasp of the situation has developed. Several weeks are the Turks aumounced they were making a victorious march on Batum, the great Caucasus port on the Black Sea, but a

sudden halt has come upon this expedition, without any explanation having been offered by Turkey or Russia. Similarly, the Ottomans have mysteriously closed, temporar-ily at least, their campaign against Egypt. The only positive result of Turkey's entrance into the war has been the occupation by England of southern Babylonia, at the head of the Persian Gulf, as was explained in this column vesterious. in this column yesterday.

It is probable that having been plunged into the war by a few Germanized Turkish militarists, the ma-

preventing the departure of the greater portion of the army from the Constantinople defenses. the Constantinople defenses.

Bulgaria will enter the wor on the side of the Allies whenever an understanding concerning her territorial expansion can be reached. Bulgaria's help would permit an assault upon Constantinople from Europe. If at the same time the Turkish army was operating against Expet or was trying to gain a footbold in the Caucasus, Constantinople's full would be inevitable. The Turkish army seems destined by this fear to remain in a condition of indecision. An operatinity is thus opened by Russia in Asia. Minor, but it comes at a time when
